This request would provide additional funds to the Customs Service to combat the smuggling of illegal narcotics into the United States. This proposal would provide \$11 million for operation and maintenance of military aircraft on loan for the Customs Service Air Interdiction Program. This proposal would also provide \$4 million for enhanced radar surveillance of the Caribbean area. These increases are totally offset by reductions in the Internal Revenue Service. This proposal would not affect net outlays.

This proposal would provide funds to allow for the hiring of an additional 37 thrift examiners in 1985. These thrift examiners are needed in order to achieve earlier detection and resolution of problems at trouble thrifts, thereby minimizing losses to the insurance fund. The proposal would increase outlays by an estimated \$1.4 million in 1985. These increased outlays should, however, be more than offset by reduced outlays resulting from reduced losses to the insurance fund.
